

READ IT, TRACE IT, PASTE IT – Sight Word Activity

This pack consists of 3 literacy activities. There is no right or wrong way to use this pack. Work with your child and see what sparks their interest. The below given are hints to help you.

Read It: Guide your child to read the sentences framed using the PRE-PRIMER SIGHT WORDS. Independent readers can read it all by themselves.

Trace It: Little writers can trace the sentence for writing practice.

Paste It: This is fun part. Cut out the jumbled words along the dotted line. Paste them in order to form the correct sentence in the box given.

Toys & Tool Tip: Jumble the cut-out words and play a stand-alone activity of sentence formation.

Of course, you can get creative as you like. Do let me know as well.

INSTRUCTIONS: Open the file with Adobe Reader. Print on A4 paper Use as desired.
